Getting here!

Martha's Vineyard is accessible by airplane or a 45-minute ferry ride. Vineyard Square Hotel & Suites is a short ride from the Martha's Vineyard Airport and all ferry ports; and our easy access to public transportation makes it convenient to get around without a car.

We take care of the details.
You simply relax.

Overlooking the harbor and historic waterfront district, Vineyard Square Hotel & Suites is just steps from world class shopping and dining in downtown Edgartown. Guests gather on our welcoming porch and Front Square, share island experiences, and chat with our knowledgeable and friendly staff.

Come visit and you'll discover a mixture of "beach modern" style and warmth; an unexpected blend of history, popular art, spa services, harbor views and exceptional, upscale cuisine – all right onsite.

A welcoming hotel.

We've earned our reputation as one of Martha's Vineyard's most welcoming hotels by our focus on our amenities and service. Our staff notices the little things when we travel, and we delight in providing them for you at Vineyard Square. We'll take care of the details of your getaway - so you can simply relax.

guestrooms & suites

All guestrooms are fully equipped for your stay. Some offer harbor views and fireplaces. Others are simple and cozy. Continental breakfast comes with each stay in season. If you're planning a weeklong visit, the luxury suites in our Edgartown Residence Club wing offer a delightful home away from home. These beautiful residences are available as accommodations, as well as for purchase as fractional ownership.

amenities & facilities

Meeting facilities and an upscale restaurant are located right in the Vineyard Square complex, as well as a salon and day spa, and guest fitness center.

Our rooftop veranda is a popular retreat to relax and enjoy spectacular views of Edgartown Harbor. Unwind in the tranquility of our garden courtyard and guest lounge or people watch from the comfortable rocking chairs on our famous porch - wrapping around our signature Front Square.
